Nagpur, Maharashtra • +91 8149567645 • maghadeachira9@gmail.com • linkedin.com/in/maghade-achira-752a51357

Full Stack Developer | MERN Stack Developer | React + Node.js

Full Stack Developer with 2+ years of hands-on experience building and deploying scalable web applications using the MERN stack. Proven track record of delivering enterprise-level solutions across pharmaceutical, e-commerce, and travel domains. Reduced manual processing time by 40%, improved application performance by 30%, and supported platforms serving 1,000+ users. Expertise in React.js, Node.js, TypeScript, REST API design, Redux state management, and payment gateway integration.

WORK EXPERIENCE

SoftData.In

Oct 2024 - Present

Full Stack Software Developer

- Architected and deployed 5+ production-grade web applications using React.js, Node.js, and MongoDB, serving 1,000+ active users across pharmaceutical and e-commerce domains
- Engineered RESTful APIs with optimized MongoDB queries and indexing, improving data retrieval speed by 25% and reducing server response time by 20%
- Implemented JWT-based authentication and role-based authorization systems, securing user data for enterprise applications handling sensitive pharmaceutical records
- Integrated PayPal payment gateway for e-commerce checkout flows, processing transactions with 99.9% uptime and zero payment failures

Nass Technologies

Oct 2023 - Sep 2024

Full Stack Software Developer

- Developed 4+ full-stack mini projects and portfolio websites using MERN stack, demonstrating proficiency in end-to-end web application development
- Built responsive portfolio websites with modern UI/UX design, showcasing interactive components and smooth navigation using React.js and CSS3
- Created RESTful API endpoints using Node.js and Express.js, implementing CRUD operations with MongoDB for data persistence
- Designed and developed mini projects including task management systems, blog platforms, and authentication modules with JWT-based security

PROJECTS

Pharmacy Import & Export Management System

Live: <https://pharma-inventory-uo8v.onrender.com/>
Built an enterprise-level platform to digitize pharmaceutical import/export workflows, managing regulatory compliance for India-based operations.

Everlume Beauty E-Commerce Platform

Created a fully functional beauty and skincare e-commerce website with premium UI/UX design and seamless checkout experience. Integrated PayPal payment gateway with secure transaction handling, supporting multiple payment methods and real-time order confirmation

SKILLS

Frontend: Axios, Bootstrap, Context API, CSS3, HTML5, JavaScript (ES6+), React.js, Redux, Redux Toolkit, Responsive Design, Tailwind CSS, TypeScript, Vite

Backend: API Design, bcrypt, Express.js, JWT Authentication, Middleware Architecture, Node.js, REST APIs, RESTful API Development, Role-Based Access Control

Database: Database Optimization, Database Schema Design, Indexing Optimization., MongoDB, Mongoose ODM, MySQL, Query Performance

Tools & Others: Cloudinary, Git, GitHub, JWT Auth, Nodemailer, npm, Postman, Render (Deployment), Vite, VS Code, Webpack

Core Concepts: API Integration, Authentication & Authorization, CRUD Operations, Error Handling, Performance Optimization, State Management

B.Tech in Electronics & Telecommunications Engineering
